

CDS Club 100 Grant Fund

CDS Club 100 Grants are available to Juniors and Young Riders as well.

The CDS Club 100 has budgeted certain funds for each calendar year. CDS would like to support junior riders and young riders who are competing at a minimum of Training Level. The Grant money can be used for any dressage educational purpose. If you are interested in a Club 100 Grant for 2009, please send in this application on or before July 31, 2009. Both rider and owner must be members of CDS in good standing to be eligible for grants.

There is \$3,000 per year available to individual juniors. \$100 will be given to 30 juniors wanting help with lessons or costs for an educational event. Anyone wanting to participate must apply and payment must be made directly to the event or clinician.

In 1996 Club 100 was established as an educational fund for Juniors to have available as many educational activities as possible. The Club 100 funds can be applied for to defray costs.

Today's Date _____

Date of Event _____
