

CDS CLUB 100 RENEWAL 2010

CDS CLUB 100 RENEWAL

In 1996, I created Club100 as a vehicle to create funds for Junior educational endeavors. My initial thought was to raise \$10,000 annually, which meant one hundred people would donate \$100. At that time CDS had about forty-five hundred members and it did not seem to be an insurmountable goal to reach two percent of our membership to contribute. I was so wrong.

Last year there were less than forty donors that contributed, and after eleven years the fund contains a good bit less than the \$100,000 I had envisioned eleven years ago.

During the past twelve years, we have had riding clinics, programs at the Junior Championships, and offered grants to individual Juniors (a total of \$3000/year is available). Very few individuals have applied for this grant.

Over the years more than one hundred-fifty people have made donations, but not every year. We have four lifetime members, who donated one thousand dollars each. All of these donations are very much appreciated, and I hope that 2009 would be a better year.

On this page, you will find a renewal form for Club 100. Please support education for our Juniors.

CDS is the largest Dressage organization in the country and the Dressage we have available here is so far ahead of the rest of the country, lets give our youth the opportunities they should have to share in this education.

We sent a Gold Medal YR Team and a Bronze Medal JR Team to NAJYRC last year, and we hope to send two teams to Kentucky this year as well.

Mary Schrader
Junior. Coordinator - North
